Dear

I wish to express our appreciation to you for making [redacted] of your staff available to our students on 19 April 1983. His presentation represented an invaluable contribution to the fulfillment of "The National Foreign Intelligence Community and its Support Staff Processes" portion of the National Senior Intelligence Program (NSIP).

The NSIP students were collectively very enthusiastic in their praise of his lecture on this vital aspect of national intelligence support to policymakers. It was readily apparent that they were greatly impressed not only by his knowledge of the subject but also by his willingness, to frankly discuss all aspects of it in the question-and-answer period. Please convey to Mr. [redacted] our appreciation for an outstanding presentation.

Sincerely,

L. D. BADGETT
Colonel, USAF
Commandant
